

Updates on the situation of the Cambodia-Thailand border

07 August 2025

1. Spokesperson for the Ministry of Labor and Vocational Training – on 6 August 2025- rejected a false report by the Thai newspaper Khaosod English, which claimed that “Cambodians are returning to Cambodia in crowds due to threats of revocation of citizenship and land confiscation. The Spokesperson affirmed that “Cambodia has no such threats and that the main reason for Cambodians to return to Cambodia in large numbers is their desire to return home.”
